# *Preface*

As the board of Marum Bibio we would like to welcome you to the HZ University of Applied Sciences and Scalda. With this booklet we want to familiarize you with our student association. So read this booklet through and if you have any questions you can go to the last page of this booklet for our contact info.

The board and the introcommittee will be attending the Kick-off week at the HZ. Don't hesitate to have a chat with us, because we will be happy to explain to you who we are and what Marum Bibio is all about!

## *Our INTROCOMMITTEE*

This year we once again have gathered a great group of members to organise our introductionperiod. During the entire week they are present to introduce our student association to you.

On the square of the HZ, during our social gatherings in our bar 'De Fles', on the General Introduction Day at the Bellamypark and all through the camp they are ready to answer your questions and represent us. So, do you recognise any of them? Have a chat with them, because they are there for YOU!

## *Valued prospective STUDENT,*

Going to university is of course a major step, especially when you move into a dormitory! You will leave your trusted bedroom at home, have to discover a new city and find a way to make new friends. However, we have a great way to help you with all of that! Just come and have a look at Marum Bibio.

We are simply the nicest and most sociable student association in Vlissingen, Middelburg and surroundings. We are also the best student association for the international students who study here at the HZ.

Also we will actively try to give you the greatest time of your life! In this booklet we will tell you all about how we intent to do just that when you join Marum Bibio.

# ***HZ KICK-OFF week***

During the kick-off activities you will get to know your fellow students and get information about your study programme. The introduction week is a compulsory part of your study programme.

During this introperiod there is a kick-off festival in Middelburg on the 31st of August and a General Introduction Day on the 1st of September.

# ***GENERAL INTRODUCTION DAY***

The General Introduction Day, better known under the Dutch abbreviation AID, is a day filled with activities organised for HZ students, by HZ students. It's the most fun opportunity to get to know you fellow students and the possibility Vlissingen has for a great studentlife.

On this day a lot of seniors will be present to answer all your questions. Don't be afraid to ask us anything, because we really intent to make sure you do not miss out on anything. We hope to see you there, on Thursday the 1st of September.

# *INTROCAMP*

**FRIDAY 01/09/23**

Mark this day in your agenda as the start of your student life!

After the AID and your first studentnight at the club we will start our introduction weekend. You will be picked up and brought to the camplocation.

After arriving at our camp location there will be some time to explore your tent, where you will be paired with your own tent mum or dad. This way you can easily make contact with our current members! Once everyone is settled in, we will start the introcamp with some games.

After getting our bellies well-filled during dinner it's time for the first Marum party of the year, hosted by one of our own house DJs!

During this party you will also discover the prices of partying at our studentbar 'De Fles'. We can already guarantee you with certainty that nowhere in Vlissingen it is so cheap to go out and party!

## SATURDAY 02/09/23

On Saturday morning, the alarm clock goes off a little too early... But not without a good reason! After a hefty breakfast we will all head for the sports field, where an afternoon of activities awaits. This afternoon is dedicated to form tight bonds within the new membergroup and you will get to know your fellow freshmen better. On this day it is not recommended to wear your newest clothes, but that's all we'll say about that. Although the day is filled with a lot of sporty activities, there will be a lot of fun for the less sporty type of people too. Because in Marum we think about everybody!

After this day full of effort, the most important part awaits: relaxation! We will do this the Marum way, with a great party! We won't tell you how and what, but of course we will raise the roof!

## SUNDAY 03/09/23

Sunday is the last day of the camp, and what a day it is! Now that everyone has had a bit of a lie-in, we are going to take it easy packing all our belongings and of course practising both the famous and infamous Marum chants. We can't risk that your tender little throats get overloaded, so we will make sure that they are well lubricated.

After this last training session, it is time to recover from the past two days, debrief and relax. But for the people who don't feel like going home yet, we have a surprise... Something about an afterparty?

# STUDENTBAR DE FLES

'De Fles' is our place for members to get together for a drink, a dance, a game or a chat. In early 2020, we were given the opportunity to move together with our old bar that is currently named 'de Vrienden van Vlissingen, and is located at Nieuwendijk 7. We got the offer of the century, accepted it and are now the proud tenants of the former, intact stripclub above this new pub. The vibes are still there, as are the red velvet pillows and the pole. With just a few minor adjustments, we could move right in and now we have our own tap, enough space to sit quietly or play a game, space to dance, play beerpong or swing around the pole. So inside our soos it is never boring. We also have a huge roof terrace, where you can enjoy fresh air when the weather is nice. From time to time we also organise cosy BBQs here!

## *OUR PARTYCLUB*

'De Vrienden van Vlissingen', better known as the VVV is the most awesome club to come drink your cold boozy juices. The VVV opens it's doors on thursdays, fridays and saturdays year-round. The VVV is known as the place to be if you enjoy partying with some good quality DJs, drinks and if you appreciate being surrounded by all the best vibes.

# *Our* COMMITTEES

Of course, our fun activities don't organise themselves and that's why we have all kinds of fun committees! Below is a brief overview of our committees. Don't be afraid to join one. You can even earn study credits with participating!

---

## **THE PARTY AND EVENTS COMMITTEE**

Are you not afraid to party? Do you have original ideas to organize even bigger, better and more spectacular parties? Or are you maybe just very good at organizing things, would like to be for example a bartender at our events and parties? Then this committee is looking for you! You can join us to help organise awesome parties as the cantus, spooktoberfest and wild wild west!

## **THE BARCOMMITTEE**

Together with the other committee members, keeping the most beautiful club of Vlissingen running, providing members with a beer and continuously improving De Fles is a big responsibility. Do you think you can contribute to this? Then you are at the right place within the barcommittee!

## **THE STICKERCOMMITTEE**

This stickercommittee is a unique addition to our student association, that you won't see anywhere else! Our goal is to keep people involved in Marum in a refreshing way. We do this by, amongst other things, hiding a sticker in Vlissingen every week that can be found by means of hints and good detective work. Finding the stickers first means you win free beers in our studentbar 'De Fles'!

## **THE COMMUNICATIONCOMMITTEE**

The communicationcommittee takes care of all communication inside and outside Marum. This includes the promotion of the association online and at physical moments (such as open days and events), but also finding, contacting and retaining sponsors. You learn a lot within this committee and it is also very interesting. Do you like to promote, can you photoshop or would you like to learn it and/or do you like to get in touch with companies and stakeholders to arrange benefits for the association? Then quickly join the communicationcommittee!

# CEDE MAIORI

We are Cede Maiori, the men's fraternity of SV Marum Bibio.

Cede Maiori originated from a group of friends who wanted to get together more often, strengthen the friendship and just have a good time drinking beer, because these men can do that like no other!

We strengthen this friendship by having drinks every fortnight on sundays in 'De Fles'. After our drinks we party till the early hours with everyone else. Because one drink every fortnight is not enough, we also participate enthusiastically in 'Happen & Stappen', which translates to something like having a bite and partying all night. We join this on Thursdays, because the way to a man's love is through his stomach.

Of course it is fun to party, but organising a party is even more fun. Once a year, together with the sorority Voluptas, we organise a theme party. Besides that we have annual beer tastings and the foute kerstruienfeest (Ugly Christmas sweater party). With Cede Maiori you are always guaranteed an enjoyable evening!

# VOLUPTAS

We are the ladies of Voluptas. We are the only sorority in Vlissingen and part of Marum Bibio. Voluptas was founded by a group of girlfriends who wanted to let the female voice be heard and wanted to have fun together. Every other week we have a drink, only accessible for members of the sorority. During these drinks the wine flows richly, but never without a lot of snacks. This is also the time to chat about all kinds of things, or to play games.

Besides our drinks, we have many other activities. Once a month we go out in our own merchandise during 'Happen en Stappen' before joining the Marum Party of that night. We are also always present at parties and other Marum events.

Every year we organise our own party in cooperation with Cede Maairi. The men of Cede Maiori are sometimes our rivals, but we also enjoy having a drink together.

We also organise fun activities outside Marum Bibio. No birthday goes by unnoticed and certainly no 21st diner. Once a year we also organise a real women's evening on which men are absolutely denied acces... ;)

Would you like to spend your studentlife with us?

Join us at the introcamp and register as a member of Marum Bibio... And who knows

, we might invite you to one of our drinks!

# Our PARTIES and EVENTS

Throughout the year, the best parties are celebrated at Marum. Marum is known for a number of classic parties like berend botje, the duvel party, wild wild west and pimps and hoes. These are organised by the party and events committee.

The fraternity and sorority also organise a party together. Last years' themes were the pirate party, dia des los muertos and back to neon.

The barcommittee also organises parties like the Marum pyjama party, roaring 20's, hippie easter, baco boat, wii night and the willy wonka party.

Finally, to complete the weekly party schedule, the board also organises a lot of cool parties throughout the year such as the pink party, white party, after kingsday party and Mexican night.

# SUNSET CRUISE

The Sunset Cruise is the showpiece of Marum Bibio, a smashing party that you absolutely cannot miss! The Sunset Cruise is one of the biggest events that, besides all our members, all other students in Flushing look forward to for a whole year. The Sunset Cruise is like a 'normal' gala, with the well-known cocktail dress code, but Marum Bibio's Sunset Cruise is unique!

The unique thing about the Sunset Cruise is that the gala is held on a boat. Cruising along the boulevard with a drink in your hand, watching the sunset, enjoying the music of a live band and a DJ; an evening to remember! The Sunset Cruise is organised entirely by Marum Bibio, so it is bound to be legendary.

The party starts as soon as the first people arrive in the prettiest outfits, when we are still ashore. From the getgo the party atmosphere is very apparent. When everyone is on board, and the party has already been well underway, we set sail. We sail over the Westerschelde along the boulevard of Vlissingen. While partying and dancing with your friends, you will have a great view of the skyline of Vlissingen. All the beautifully lit buildings and the sun slowly sinking into the sea, it really is a unique sight to experience at this evening only!

We look forward to seeing you on board again during the next edition of Marum Bibio's Sunset Cruise.
